education

Plymouth High School, Canton MI

Expected Graduation Date: 8 June 2014

Cumulative GPA: 4.0

Plymouth High School is large and campus-like. It joins with Canton and Salem High School to create the Plymouth-Canton Educational Park (also known as "the Park"). Altogether the Park has over 6,000 students. Attending it creates a unique experience where I travel between each of the schools to attend my classes and am able to meet a wide variety of people. Notable classes I have taken include AP US History, AP US Government, AP Psychology, AP English Language and Honors Precalculus. Computer-related classes include Computer Graphics and Design, Web Design and Introduction to Programming.

skills

Design

Experienced with publication design for the Park's over 600 page yearbook. As editor-in-chief of the yearbook I am in charge of managing the staff, making the final tweaks to pages, interviewing, designing layouts, copyediting and writing copy for my own pages.

Computer

Very proficient in Photoshop, InDesign and Notepad++. Have experience enhancing photos in Photoshop to be used in publications and designing spreads in InDesign. Used Notepad++ to design website for MCWT's website competition. Have working knowledge of Dreamweaver and Illustrator.

Personal

Self-disciplined, easygoing and organized. Very detail oriented and excellent at meeting deadlines. Intrinsically motivated, quick learner and enjoy the creative aspect of projects.

school activities

Diving

Have been a diver on the Plymouth Swim and Dive team for four years. No experience diving before high school and earned a varsity letter all four years.

GET-IT

Joined GET-IT (Girls Exploring Together Information Technology) Club during high school which provides girls with the opportunity to learn more about technology through participation in a web design competition and Robofest. I also had the opportunity to meet an employee from Google, visit Mercedes-Benz Financial Services and meet Olympic gold medalists in rowing.

awards & honors

Web Design

Placed fourth with Honorable Mention in the advanced category for the MCWT's 8th annual Web Design Competition. Had the opportunity to tour the Mercedes-Benz Financial Services building and talk to and hear presentations from many of the employees along with the CIO, Mr. Udo Neumann. My website is available for viewing at mcwtfwebdesign4girls.net/113krW22/index.html.

Diving

Awarded Scholar Athlete Certificate for diving by maintaining a minimum of 3.5 cumulative GPA and earning a varsity letter.

Photography

My photos of the Park's **Variety Is** show were used on the front page of the schools' newspaper.

Art

Art created in Adobe Illustrator for my Computer Graphics and Design class was chosen to be exhibited in the Plymouth-Canton K-12 Art Show.

projects

In my free time I enjoy designing, drawing, coding and more.

If you would like to see the projects that I have worked on I would highly encourage you to view them online at my self-made website, www.arimagyaru.eu.pn.
