education

Grand Valley State University, Allendale MI

Cumulative GPA: 3.714, Dean's List

Started at the Frederik Meijer Honors College at GVSU in the fall of 2014, plan to major in engineering.

Plymouth High School, Canton MI

Cumulative GPA: 4.0

Part of the Plymouth-Canton Educational Park (P-CEP) which consists of Plymouth, Salem and Canton High School.

Earned a High School Diploma, Class of 2014.

skills

Computer

Very proficient in Photoshop, InDesign and HTML and CSS coding. Have experience enhancing photos and creating graphics in Photoshop to be used in publications and designing spreads in InDesign. Used Notepad++ to code website for Michigan Council of Women in Technology's website competition along with a personal website. Very acquainted with various Microsoft programs. Have working knowledge of Dreamweaver and Illustrator.

Design

Experienced with publication design for P-CEP's over 600 page yearbook. As editor-in-chief of the yearbook my senior year I was in charge of managing the staff, making the final tweaks to pages, interviewing, designing layouts, copyediting and writing articles for my own pages.

Personal

I am self-disciplined, easygoing and organized. Very detail oriented and excellent at meeting deadlines. Intrinsically motivated, quick learner and enjoy the creative aspect of projects.

experience

Mercedes-Benz Financial Services

Paid Co-op/Internship

June 2014-July 2014

I worked in different sections of the IT department of MBFS including project management, shared services, information technology infrastructure, security and web development in a six week summer program.

Through this experience I learned about different programs such as CISM, Microsoft SharePoint and Admin.NET. I was able to help out by transforming prototype banner, table, and form designs into HTML code so they could be used in the company. I also worked in Admin.NET to change account types and CISM to approve requests.

Along with learning about the software I also learned about the inner workings of large businesses by being able to job shadow many of the employees in IT. I went to meetings, listened in on phone calls at the help desk and even made a run to fix some printers.

awards & honors

Web Design

Placed fourth with Honorable Mention in the advanced category for the MCWT's 8th annual Web Design Competition. Had the opportunity to tour the Mercedes-Benz Financial Services building and hear presentations from many of the employees along with the CIO.

This experience later helped me land a co-op position at MBFS.

Diving

Awarded Scholar Athlete Certificate in high school for diving by maintaining a minimum of 3.5 cumulative GPA and earning a varsity letter.

Photography

My photos of P-CEP's *Variety Is* show were used on the front page of the schools' newspaper.

portfolio

In my free time I enjoy designing, drawing, coding, blogging and more.

If you would like to see my blog which details my experience at Mercedes-Benz Financial Services and a portfolio of projects that I have worked on, I would highly encourage you to view them online at my self-made website, www.arimagyarr.eu.pn.
